# Respiratory Care Services

Our Respiratory Care Staff are dedicated to enhancing your quality of life. Whether you suffer from emphysema, asthma, sleep apnea, or other cardiopulmonary diseases which affect your breathing; our caring and qualified staff will provide you with the necessary equipment, supplies and training for use in your home. By working together with your healthcare providers our goal is to improve your overall quality of life. We commit ourselves to making you comfortable with our products and their proper use.

## Our Respiratory Care products and services include:

### Home Oxygen Therapy Services

Stationary, portable and ambulatory oxygen systems are tailored to meet the medical needs and lifestyles of our customers.

- Concentrators
- Oxygen Tanks
- Oxygen Conserving Devices
- Concentrators with self filling portable system
- Portable Oxygen Concentrators - FFA approved for in-flight use

### Obstructive Sleep Apnea Therapy

CPAP and bilevel pressure support devices for the treatment of obstructive sleep apnea and other sleep related breathing disorders.

- Continuous Positive Airway Pressure Devices (CPAP)
- Bilevel Positive Airway Pressure Devices (BiPaP)
- Heated Humidity
- Variety of Masks

### CPAP Clinic

Great Plains Health Company CPAP customers are invited to make an appointment to have equipment checked for proper function, and their masks/head-gear assessed for proper fit. The GPHC staff will also address any questions or concerns regarding the operation of your CPAP equipment.

A variety of devices to assist in the delivery of aerosolized medications as well as monitoring devices to track airway function.

- Compressors
- Peak Flowmeters
- Spacers for MDI's
- Nebulizer Cups

Supplies and equipment to assist in the removal of airway secretions.

- Suction Machines
- Suction Catheters
- Tracheostomy Supplies
- Percussors
- Flutter Devices

To maintain the highest levels of professionalism in our work, GPHC is a member of the Midwest Association for Medical Equipment Services. We are also accredited by the Joint Commission on Accreditation of Healthcare Organizations.

The mission of Great Plains Health Company/Great Plains Rehabilitation Services and that of St. Alexius Medical Center is to “Let all be received as Christ.”
