

Get a Kick Out of Helping Kids!

Fundraise.com Instructions

Fundraise.com makes it a piece of cake for you and your teammates to raise funds to support our community's mothers and babies. Proceeds from SAKT 2017 will purchase new equipment and technology to advance Labor and Delivery and Mom/Baby services to ensure future mothers continue to have healthy births and the newborns receive exceptional care.

Step 1: Go to www.st.alexius.org/foundation/sakt. Click on the "Donate Here" button under SAKT 2017's logo. This takes you to the fundraiser.com page.

Step 2: Select your team in the "team" drop down box on the right side of the screen. Enter your name and email. Click the "SIGN UP" button. ****If you previously created a fundraiser.com account for SAKT 2013, 2014, 2015, or 2016, and you want to use the same login and password, please click the "Login" button, enter your information and you'll be redirected to the SAKT 2017 page where you can select your team. If you can't remember your password, please contact Dan@fundraise.com to reset it.*

Step 3: Customize the text in your individual fundraising webpage to explain why you are fundraising to support the moms and babies served by CHI St. Alexius Health's The Birth Place.

Step 4: Email, Facebook and Tweet out the link to friends, family, coworkers and anyone who might help you reach your fundraising goal!

Above: Braelyn and Brooklyn McCalister when they were in CHI St. Alexius Health's Neonatal Intensive Care Unit (NICU).

Right: Corina McCalister with Braelyn and Brooklyn who are now two years old.
